## JEWELS CLAN BUCHANAN

---

---

The Buchanans have taken much care to create / restore a set of inauguration regalia, in line with Celtic tradition. Many items include semi-precious stones sourced from Cambusmore or from historic Buchanan family lands.

For full descriptions of these artifacts and the research undertaken to authentically recreate them is documented at [www.theclanbuchanan.com/jewels](http://www.theclanbuchanan.com/jewels)
